WHY WE NEED YOU!

It's rare to find quality, free, family entertainment accessible within our communities! The Midwest Ski Otters are celebrating 30 years of doing just that in 2025! But this is no small feat and requires significant investment. We are a 100% volunteer organization. Our non-profit needs your support so we can:

- Expand our stadium seating with larger bleachers to welcome additional guests
- Replace team storage & travel trailer (we're falling through the floor currently!)
- Accommodate accessibility needs for guests due to Bruce Vento trail extension
- Upgrade motors & boat fleet to delight our audiences with bigger & better acts (Upgrading our triple rig alone has a price tag of over \$170K)
- Fuel our boats to keep our team moving across the water
- Restore shoreline to protect our Lakes
- Offer additional opportunities for youth across our community to learn-to-ski
